

	East Surrey Walkers, R. A.	
July to August 2026		
Long Distance linear footpath Walks		
These walks are in easy stages, normally on the first and third Wednesday of each month. Unless otherwise indicated lunch is at a pub where food is available near the middle of the walk. Walks nearly always involve use of public transport. Details of meeting places and times are released by the weekend prior to the walk, and booking is essential for pub reservations.		
In this quarter we finish with our bespoke railway walks following the line from Hurst Green to Uckfield, ending at Uckfield. Our new bespoke railway series then starts walking from Leatherhead to Horsham.
